An Archive Of Feelings Trauma

An Archive of Feelings contends that the field of trauma studies, limited by too strict a division between the public and the private, has overlooked the experiences of women and queers. Rejecting the pathologizing understandings of trauma that permeate medical and clinical discourses on the subject, Cvetkovich develops instead a sex-positive approach missing even from most feminist work on trauma.

Duke University Press - An Archive of Feelings

She argues for the importance of recognizing—and archiving—accounts of trauma that belong as much to the ordinary and everyday as to the domain of catastrophe. An Archive of Feelings contends that the field of trauma studies, limited by too strict a division between the public and the private, has overlooked the experiences of women and queers. Rejecting the pathologizing understandings of trauma that permeate medical and clinical discourses on the subject, Cvetkovich develops instead a ...
