The Collins Writing Program distinguishes itself from others through its proprietary approach to writing. The Five Types of Writing offers five different ways to use writing, depending on the teacher's goal, time available, and where students are in the learning process. It shows teachers how to guide their students through all five types of writing with practical, easy-to-use strategies and techniques that have shown to improve student writing.

The Collins Writing Program provides a proven, unified, research-based writing program that can be used in all classrooms, in all subject areas, and at all grades K-12. It equips all teachers with writing strategies designed to help students understand and remember content like no other teaching technique.

Writing Across the Curriculum ~ Collins Education Associates

The Collins Writing Program is designed to improve students' thinking and writing skills simultaneously. It is based on three essential principles: Thinking and writing skills develop with frequent, meaningful practice. Most students develop writing and thinking skills incrementally through a variety of informal and formal writing experiences.
