### Time complexity of insertion sort when there are O(n ...

This special issue honors Professor James J. Morgan, who served as the founding editor-in-chief of ES&T from 1967 to 1975 and sadly passed away in 2020. James Morgan was a prominent and influential leader in the field of environmental science and technology. This issue captures a small part of his broad legacy, presenting research and reflections from some of his many academic progeny and ...
