Extracted is a difficult book to like. If you do like it (and I did end up doing so), it's difficult to say why. It's not particularly well-written. While the dialogue cracked me up, the writing was generally just a bit off. The book starts, stops, and sputters along, frequently finding a rhythm and then falling away from it.

### Extracted Trilogy by R.R. Haywood - Goodreads

In this, the first book, we are introduced to our heroes as they are extracted from their current lives to undertake the mission required here. There's a bit of stereotyping going on here; how often do we see the tough but beautiful heroine as she beats up / kills the bad guys with ease, whilst remaining a picture of perfection?
