Looking for Spinoza: Joy, Sorrow, and the Feeling Brain ...

Spinoza saw drives, motivations, emotions, and feelings-an ensemble Spinoza called affects-as a central aspect of humanity. Joy and sorrow were two prominent concepts in his attempt to comprehend human beings and suggest ways in which their lives could be lived better. The long explanation is more personal. The Hague December 1, 1999.

Looking for Spinoza: Joy, Sorrow and the Human Brain ...

Joy, sorrow, jealousy and awe - these and other feelings are the stuff of our daily lives. Presumed to be too private for science to explain and not be essential for comprehending human rationality and understanding, they have largely been ignored. But, not by the great seventeenth century Dutch philosopher Spinoza, and not by Antonio Damasio.

Sorrow and Joy ... edited by J.D. Thomas, 1st edition | eBay

Meditation is not for me. I hear it does wonders for those who practice it successfully, and I bow to them in deep respect and admiration. However, I still need to quiet my brain, to subdue it, to control it, to harness it. I found the answer through Antonio Damasio's book Looking for Spinoza, Joy, Sorrow, and the Feeling Brain. The feeling ...
