Section 1. Understanding Culture and Diversity in Building ...

In the 21st century Canada is often characterised as being "very progressive, diverse, and multicultural". However, Canada until the 1940s saw itself in terms of English and French cultural, linguistic and political identities, and to some extent indigenous. European immigrants speaking other languages, such as Canadians of German ethnicity and Ukrainian Canadians, were suspect, especially ...

Multiculturalism in Canada - Wikipedia

Sexuality is one of the fundamental drives behind everyone's feelings, thoughts, and behaviors. It defines the means of biological reproduction, describes psychological and sociological representations of self, and orients a person's attraction to others. Further, it shapes the brain and body to be pleasure-seeking. Yet, as important as sexuality is to being human, it is often viewed as a ...
