### **Munich and Appeasement: 1938**

In September 1938, with war against Germany seeming increasingly likely, Prime Minister Neville Chamberlain flew to Munich (according to a British Pathe newsreel, his first trip in an aeroplane), to meet the German leader. His aim of this 'mission of peace' was to secure a guarantee that there'd be no further German aggression.

Obviously, the term is connotative of negative meanings, especially after the Munich Agreement (September 1938). To avoid war then, France and Britain allowed German annexation of the Sudetenland. The policy of appeasement pursued at the time underestimated Hitler's ambitions and believed that adequate concessions would ensure lasting peace.

### **Appeasement - Wikipedia**

The policy of appeasement has been criticised over the years since 1938, but the fear of war in 1938 was very real. The images shown in the cinemas of the horrors seen in Guernica during the Spanish Civil War terrified many – and Germany had openly displayed the might of the Luftwaffe with its many bombers from 1936 on.
