Natural Sciences - EN District Communication

Physical Science requires the ability to apply knowledge. It is not a learning subject, rather one that requires regular practice. There is a strong correlation between a learner's performance in Maths and Physical Science, hence the minimum entrance requirement. Educators in the Natural Science department: (Grade 8s ONLY)

Physical & Natural Science - Jeppe High School for Boys ...

Natural science is a branch of science concerned with the description, prediction, and understanding of natural phenomena, based on empirical evidence from observation and experimentation Mechanisms such as peer review and repeatability of findings are used to try to ensure the validity of scientific advances..
