However, they do not expect you to have A-level maths and cover off the basics. Extra help is offered if needed which is great. First year was designed to bring everyone to the same level through group work, such as experiments and work on the field. 2nd year, University of East Anglia UEA

Environmental Science Courses & Undergraduate Degrees

Regardless of the subject you want to study, the majority of university courses look for at least a C grade in English, maths and perhaps science - that's grade 4 or 5 under the revised structure. Some university courses go further and ask for specific subjects at GCSE, with certain grades, so check directly with universities if you're in doubt.
