Third Man Factorthe The Secret

The third man factor comes from Shackleton's voyage where he and two others felt the presence of a fourth man (but then T.S. Eliot changed it to "Who is the third who walks always beside you?") The book is filled with interesting tales of people in extreme circumstances sensing someone comforting, encouraging, and/or advising them.

The Third Man Factor: The Secret To Survival In Extreme ...

The author has compiled an impressive collection of instances of the 'third man' phenomenon--the sensation that one's survival is aided by an 'extra' presence in times of great duress. Beyond the compilation of a plethora of third-man stories (from mountain climbers, castaways at sea, arctic explorers, over-worked medical students, etc.), the author considers various explanations to the phenomenon.
